Education

VIT Bhopal University

B. Tech in Computer Science Engineering; **CGPA - 8.66**

Bhopal, MP

Oct. 2022 – Ongoing

Class XII - Pioneer Convent School

Percentage - 82.80

Indore, MP

July 2022

Class X - AMBE School

Percentage - 80.00

Vadodara, Gujarat

March 2020

Technical Skills

Programming Languages: C, C++, Java, Python, JavaScript, HTML, CSS

Frameworks: React, Node.js, MongoDB, WordPress

Developer Tools: Git, GitHub, AWS, Tailwind CSS, VS Code, Eclipse, MS Excel

Projects

Ticketing System | React, MongoDB, Java Script, Tailwind, HTML, CSS

Oct 2024 – Nov 2024

- Developed a comprehensive ticketing system using React, MongoDB, and Tailwind CSS, implementing secure user authentication for registration and login functionality
- Implemented a responsive user interface with Tailwind CSS
- Integrated state management for real-time ticket status updates and user role-based access control
- Built a streamlined ticket lifecycle workflow from creation to resolution, improving support team productivity

Github Explorer | React, Tailwind, GitHub API, Java Script, HTML, CSS

Jun 2024 – Aug 2024

- Developed a GitHub user search platform using React and GitHub REST API, enabling users to explore developer profiles and repositories
- Integrated GitHub API to enable real-time user profile search and repository exploration
- Utilized API rate limiting and error handling to ensure reliable performance and smooth user experience
- Incorporated efficient state management for handling search results and user data caching

Internship

Trigent Software Pvt Ltd

June 25th – July 25th 2023

Website Data Management

Bengaluru, Karnataka

- Executed website data extraction and management tasks to support generative AI research initiatives
- Structured and organized large-scale textual datasets to enable seamless integration into for research
- Collaborated with project teams to ensure data quality and relevance for AI model development

Certifications

Programming Languages: C, C++, Python, DSA

Web Developmen: React, JavaScript, DBMS

Developer Tools: AWS, Cloud Computing, Networking, Simulink and Matlab

Industrial Training: Embedded System Design and IoT

Additional Information

Hobbies: Playing Cricket and Chess, Playing Tactical games, Surfing the Internet and Listening to Music

Languages Known: English, Hindi, Marathi, Gujarati
